FLORA ECO DINE is manufacturing unit of M/s. ECO DINE MANUFACTURING SOLUTIONS (OPC) PVT LTD established in the year 2015 in Coastal Karnataka, India.

We are a proud startup in the business of Eco Friendly Products in the industry since 2015. Our motive is to promote the Eco friendly environment. In the way of implementing that we are involved in the manufacturing and exporting of Bio products. By the way of promoting the bio friendly product usage, we are also employing people from rural areas for a fair wage. We are much concerned about the quality.

The products are made in the most hygienic way and the Quality inspection is done for each and every plate as part of the production process. We deal with both Domestic and international market.
